

March 3, 2017

Dear Valued Customer,

FlexiVan prides itself in its dedication to firm compliance and cost control measures, however costs associated with providing service to our customers have continued to escalate. This leaves us with no alternative, but to increase authorized daily usage rates in the following pools beginning April 1, 2017. (*Note that this does not apply to our FlexiDay® per diem product at this time).

We will meanwhile continue to strive toward our goal of reducing cost from the supply chain and investing in tools designed to deliver the most professional customer experience. For more information, please contact your local FlexiVan representative or visit FlexiVan.com.

Thank you for your business and we look forward to continuing our relationship with our valued customers in the intermodal industry.

Sincerely,

FlexiVan
