

Now you can view and pay your invoices in one convenient location.

Introducing the Flexi-Van Customer Payment Portal

As a convenience to our customers we've created an online portal dedicated to managing your invoices, viewing payment history and allowing you more payment options including credit card, PayPal and e-check.

This service is now available for all Flexi-Van motor carrier invoices in all Pools.

How do I register?

To Register for the payment portal:

1. Use the link below to log into the Flexi-Van website using your current account information.
2. Find a current outstanding invoice and click ePay, or click ePay on the main Welcome screen of CSM to be taken directly to the Payment Portal.
3. Type in your email address and choose a password and that's it.

Flexi-Van Website

Search

You can also pay outstanding invoices without logging in by going to our invoice search page.

Search for Invoices

If you have any questions regarding this new service, please feel free to contact us at paymentportal@flexi-van.us or (855)-774-3742.

Sincerely,

The Flexi-Van Team
